CARPATHIA GOLD MEDAL BILL PASSES

In President's Hands; Gives a Medal and Expresses Thanks to Captain.

Washington, D. C., July 2.—The thanks of congress are conveyed to Capt. Arthur H. Rostrom and the officers and crew of the liner Carpathia for their rescue of 704 survivors of the Titanic, in a senate bill passed by the house yesterday. The measure now goes to president Taft for signature. The bill provides for a \$1000 gold medal for Capt. Rostrom.

To Stop Shipment of Prize Fight Films. The passage of a bill which would prohibit interstate shipment of prize fight moving picture films was blocked in the house yesterday. Representative Sims, of Tennessee, Democrat, sought immediately to pass the meas-

ure, explaining that the Johnson-Flynn fight was scheduled for July 4 and he hoped the picture films might be barred from leaving New Mexico. On a point of order that a quorum was not present, the house adjourned.

The house yesterday adopted a resolution appropriating \$1,350,000 to provide for the participating of the regular army in the encampment and maneuvers of the organized militia of the several states.

Our semi-annual clearing sale now on. Sol I. Berg.

OFFERS HENS AND CHICKS AS HER BOND IN COURT

A hen and 11 chickens were offered as bond in the United States federal court Tuesday when Ersula Trujillo, a Mexican woman, was held to the federal grand jury on the charge of smuggling a pistol to Mexico. As poultry is not considered legal tender by commissioner G. B. Oliver the bond was refused.

Catarino Rama and Pedro Mendez, held on an ammunition smuggling charge, were liberated by the commissioner, as there was not sufficient evidence to hold them to the grand jury.

One-third off on all suits. Sol I. Berg.

HAVE EOUGH MONEY TO FINISH PANAMA CANAL

Washington, D. C., July 2.—With nearly one hundred million dollars in each cash drawer of the treasury, officials today expressed the belief that it will not be necessary to issue additional bonds for the construction of the Panama canal for nearly a year.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.

EL PASO TELLS HER TROUBLES

To the "Want" Columns of The Herald. When there's an unexpected vacancy in the office or factory force, it's a Herald Want Ad that gives notice. When there's something valuable lost or a tenant leaves, a call to Bell 115, Auto 1115, tells the news. El Paso has learned that Herald "Want" Ads are the best resort in an emergency.

THERE IS A DIFFERENCE BETWEEN HAIR PROMISES AND HAIR RESULTS

Promises won't overcome hair trouble. The manufacturers of Newbro's Herpicide promise nothing which is not justified by an intelligent use of this preparation. The desired end ultimately becomes an accomplished fact. This is the reason that Herpicide has thousands of satisfied friends all over the world. By keeping the scalp clean and healthy and destroying the dandruff germ, Newbro's Herpicide makes beautiful hair. Herpicide prevents the hair from falling and allows it to grow unhindered and naturally except in cases of chronic baldness, which is incurable. Send 10c in postage for sample and book to The Herpicide Co., Dept. R., Detroit, Mich. Applications obtained at the best barber shops. Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded. Kelly & Pollard, special agents.

FEDERAL OFFICIALS FOR JUAREZ WAITING

Federal officials for Juarez are said to be in El Paso awaiting the capture of the town by the federal force from Sonora. The presence of the federal officials for Juarez has been kept a secret, it is said, by the Mexican consul, but it is known that they are here ready to assume their offices as soon as the town is captured, if it is taken by the federals.
